Adding Extra Time to Student Quiz Attempts

1 Give Students Extra time on a Quiz

You can grant students extra time on a timed quiz. The extra time will be added to the student’s future attempts.
Note: A quiz must be published before you can add extra time to student attempts.

a Open the course. In Course Navigation, click the "Quizzes" link.

b Click the name of the Quiz.

c Click the "Moderate this Quiz" link in the right side bar.

d To moderate the quiz for a single student, click the Edit icon beside the student’s name.
You can also filter students in your course by using the Search People field.

e To moderate the quiz for several students, click the checkbox beside the students’ names, then click the "Change Extensions for [x] Selected Students" link at the bottom of the table.
